

Álvaro González Castillo (Chemical Engineering Degree - ULL)

**Research interest:** synthesis and characterization of micro/nanocarriers, design of experiments, mathematical modelling, drug delivery, mass transfer and microfluidics.

TUTOR: Dr. Edgar Pérez-Herrero

Tamara Martínez Jorge (Pharmacy Degree – ULL)  
(collaboration scholarship)

**Research interest:** cancer, synthesis and characterization of micro/nanocarriers, drug delivery, molecular imprinting.

TUTOR: Dr. Edgar Pérez-Herrero
